AUTOMATED REFUSE COLLECTION

CUL-DE-SACS

You may need to place your cart in the gutter of the curblin or possibly in front of your driveway to allow sufficient clearance (4 foot minimum) for the collection of the cart and maneuvering the refuse vehicle. PLEASE **DO NOT** PARK ANY VEHICLES IN THE CUL-DE-SAC until after the carts have been collected.

DO PLACE CART IN GUTTER OF THE CURBLIN OR IN FRONT OF DRIVEWAY

DO LEAVE ROOM FOR THE REFUSE TRUCK TO MANUEVER IN THE CUL-DE-SAC

THANK YOU for making the transition to automated refuse collection a success.

For additional information please contact the Public Works Department at 272-4959.
