2014 ANNUAL REPORT

Building Relationships Today For Stronger Neighborhoods Tomorrow

Commitment to Protect Investments of Owasso Residents and Businesses

Website: <http://www.cityofowasso.com/OSNI>

WHY WE ARE HERE

The Owasso Strong Neighborhood Initiative (OSNI) was created to provide residents an avenue to partner with the City to protect their investments, as well as the community's economic stability and long-term prosperity. The OSNI coordinates with residents to establish volunteer Neighborhood Associations in areas that previously had no way to bring neighbors together.

HOW OSNI HELPS

OSNI provides an opportunity for residents to take an active role in protecting their investments and planning for the future of their neighborhood. It gives residents from all neighborhoods an opportunity to meet and share ideas.
